SCORING

1. A field goal is worth one (1) point. A technical foul results in one free throw attempt plus possession of the ball.
2. A successful goal from behind the “take back” line (approx. 20”) is worth two (2) points. The player shooting must have both feet completely behind the line when initiating the attempt.
3. Games are played to 16 points - win by 2 or first one to 20, or team ahead after 25 minutes, wins.
4. In case of a tie score at the end of regulation there will be a coin flip to determine possession and the first basket wins.

LIVE BALL / DEAD BALL / POSSESSION

1. A coin flip before the start of the game will determine who gets the ball out-of-bounds first. The team on the top of the bracket will call the coin toss.
2. The ball will change possession after a scored basket.

3. All jump balls will be called by the **HOOP n HOLLA** Referee and will go the team on defense.
4. The top of the backboard is out-of-bounds; however, the sides and bottom of the backboard are in play.
5. The ball must be checked by an opposing player before it is put into play. The player must pass the ball at the top of the court to begin play.
6. The ball must be “taken back” past the two point line on each and every change of possession.
Violation occurs only if a basket is made by the team failing to properly “take it back”, and will result in loss of point scored and possession to the other team.
7. “Taking back” means one foot behind the two point line.

FOULS AND VIOLATIONS

1. Every court will have at least one (1) **HOOP n HOLLA** Referee. All fouls and violations will be called by the **HOOP n HOLLA** Referee.
2. If a fouled is called while a player is attempting a shot and the basket is made then count the basket, record the foul and no foul shot is awarded. On the 7th thru 12th fouls, award a free throw for all fouls and the ball changes possession if the free throw is made or missed. After the 12th team fouled, award a free throw for all fouls and if the free throw is made or missed the fouled team retains possession.
3. A **HOOP n HOLLA** Referee may call a technical foul for flagrant, intentional fouls. A dead ball technical foul shot will be awarded to the team fouled. The team captain selects the shooter for one shot from free throw distance. The shooting team also retains possession of the ball following the free throw, whether the shot is made or missed.
4.
